

JD (1) 1 Germanus Makin A Point (ai) (Jones) Nicely proportioned head neatly placed on a clean neck of nice length. Good depth of body with well sprung rib carried well back to a short strong loin. In good coat and condition but I would like a little more angulation overall to give him a little more reach and drive but he is balanced, RBD.

PGD (1) 1 Kimmax Kallin Danny Boy Over (Shepherd) Well constructed dog who has a good overall shape with balanced angulation fore and rear. Well proportioned head with good furnishings. Liked his length of neck and depth of body which has well sprung ribs carried well back. In good coat and condition and moved well, BD.

PGB (2) 1 Germanus Dutch Delight (Jones) Feminine head of good proportions with adequate furnishings. Good length of neck leading to nicely angulated fore quarters. Good depth of body and spring of rib carried back to a firm short loin. Nice hind quarters but I would like a little more bend of stifle. 2 Kimmax Klean Sweep (Shepherd) Feminine well furnished head of good overall shape. Liked her length of neck but preferred the fore quarters and overall shape of the winner today.

OB (4,1) 1 Sh Ch Kimmax Koz I Kan (McCullough) Liked this bitch as soon as I spotted her coming into the ring. Feminine well proportioned and furnished head nearly sitting on a lovely length of neck. Fore quarters are well angulated, good depth and spring of rib which is carried well back. Good hind quarters with good bend of stifle. Moved well with a correct topline, BB & BOB. 2 Sh Ch Kimmax Kindly Stand Black (McCullough). Another quality bitch who has a lot of the similar qualities of the winner.
