

GWPA Exclusive HPR Shotover Training Event with Geoff Saint Of
Ribble Valley Gundogs
@ Saints Game & Gun in Yorkshire

Location: Aldwark Manor estate, Alne, York, YO611UF

A Unique Opportunity for GWPA Members.

Enhance Your Skills at Our GWPA Members-Only Shot over Training Days

GWPA members are invited to exclusive HPR Shot over Training events led by professional gundog trainer Geoff Saint. This event provides a friendly and encouraging setting for you and your dog to experience real-life shot over scenarios and grow together as a team. These days are aimed at members who wish to hunt game and have their dogs shot over. Your dog will need to have basic obedience skills in place, being trained to sit and have a reliable recall to whistle. Ideally suited to members who wish to progress on to shot over training or already attending field trials.

- Exclusive Access: This is a special opportunity for GWPA members—enjoy a tailored experience amongst supportive peers.
- Expert Instruction: Under the guidance of renowned trainer Geoff Saint, you'll receive personalised tips and positive advice to help your

gundog excel.

- True-to-Field Practice: Build your dog's confidence and steadiness in authentic shot over conditions that mirror real fieldwork.

Why Attend the GWPA Training Event?

Geoff Saint's supportive approach and practical expertise make this the perfect setting to develop your dog's abilities. Whether you're new to HPR shot over work or looking to refine advanced skills, you'll leave feeling empowered and inspired.

Training days available are Friday the 28th November and the 5th December 2025.

Spaces for this GWPA-exclusive training with Geoff Saint are limited to 5 handlers per day, there will be two experienced guns shooting over your dogs under Geoff's guidance.

The cost of the days is £100 per handler.

Handlers will need to bring their own packed lunch and drinks, toilets are "Al fresco"!

If these initial dates are well received there will be the opportunity to arrange further dates to appeal to the membership's needs.

Don't miss this chance to take your HPR training to the next level under expert guidance.
