

I would like to thank the committee for giving me this prestigious appointment but most of all the exhibitors who had entered and gave me a 100% turnout. I thoroughly enjoyed going over the exhibits and found my Best of Breed to be an outstanding example of the breed.

JD (3) 1 Johnston's Germanus Plot Twist. 16 month liver and white boy with an excellent coat, well constructed and with good bone producing substance. Handsome head, with dark oval eyes not too deep set, correct ear shape set high on skull, strong neck going into well laid shoulders and a deep chest, straight forelegs with slightly sloping pasterns, well sprung ribs with a slightly sloping topline and broad hips, oval shaped feet with heavy nails, correct tail set continuing the line of the back. Moved soundly covering plenty of ground Pleased to award him his first CC. Should have a bright future. 2 Geary's Germanus Hit The Jackplot. Litter brother to my CC winner and a lot of the same remarks apply Preferred the topline of first, although he had better head furnishings. Moved on a free stride and co-operated well with his new handler. RCC. 3 Quinn's Kentwone Cloudberry.

PGD (1) 1 Hutchinson & Sherdan's Hartperry Green Gentleman. Good looking upstanding male with an excellent coat. Slightly rounded skull with a moderate stop and correct head proportions. Adequate length of neck and good lay of shoulder, straight forelegs and slightly sloping pasterns, good hind angulation but a little short in rib. He is a son of an old favourite of mine.

OD (3) 1 Geary's Germanus Go Dutch. Another nice dog from this kennel with a good tight fitting jacket, equal head proportions with high set ears reaching to corner of lips. Slightly sloping topline, beat another nice dog on his sound movement Sure they will changes many times. 2 Getting's Kiss My Blackside At Beechillawn. Not as mature as first but he will trouble the best of him when he matures. Well balanced young dog with the very best of feet and well rounded toes good hind angulation but not moving out as well as first. 3 Grujicic Klensi Fantastic Of Miki. Not quite the proportions of first and second in previous class but still a lot to like him. Excellent coat and handsome head with strong neck. Good tight feet. Moved ok.

VB (1) 1 Harries Myrna Loy. 8 year old who was enjoying her day out, lovely head with kind expression, well laid shoulders and with good proportions. Moved well for her age. Have judged this bitch in her younger days but has now got middle age spread. Well handled.

Moderate hind angulation, moved well for a youngster, Best Puppy. 2 Jarman's Shortridge Broadway Belle. Just under 12 months old with moderate angulation and not as good a topline as first with a tail set that was a little low. Good tight feet, moved soundly.
