Limitations: The GWPA welcomes your valued entry, however so that spectators and competitors can enjoy the day, may we ask you for your kind assistance in observing the following guideline:

Please do not bring bitches in season onto the working test ground.

Please keep all dogs on lead, unless under judges orders, or under handlers control in an exercise area.

Please do not carry out punitive correction of a dog. This would be an inappropriate response, and one that the GWPA cannot support. It will lead to disqualification and spoil everyone's day.

Neither the GWPA, judges, helpers, stewards nor the host of the ground will accept any liability for any accidents, damage, illness or injury to dogs, handlers, owners, spectators or any other person or property howsoever caused.
