Puppy Dog 1,0

1st – Saint's Reajeager Stieg

8mths liver / white. Nice overall size and build. Pleasing head piece with good width. Nice earset, good eye. Correct stop, good muzzle. Needs to mature in ribbing but is of a good length with correct loin. Nicely held topline but could do with more depth behind elbows. Nice rear angulation. Moved well in profile but needs to settle in front. BPIB

1st – Turnbull & Turnbolls Glenquin The Colonel at Elagram JW

22mths. Black / White. Bigger in frame overall but beautifully balanced. Good head piece, with good skull. Long ears, nice eye. Strong neck into good shoulders. Nice width throughout. Correctly angulated front and rear. Profile movement is lovely but a tad close coming and going. RDCC

2nd – Blanco & Osborne's Lux vom Maibrook (Imp Deu)

3yrs. Liver / white. Another boy in a larger frame but again, nicely balanced. A touch narrow in front. Heavier in head with smaller ears than I'd prefer. He does however have a lot of plus points. Nicely ribbed with chest of correct depth. Nice loin and topline is good. Not so well angulated as 1 in rear but has nice profile movement.

1st – McCullough's Kimmax Kiss Ma Blackside at Beechillawn

At nearly 5, how this boy doesn't have his title yet is beyond me. Super overall balance, correct rib and loin and holding his topline at all times. Excels in head piece, skull, eye and ears. Nice length of neck into correct shoulders. Beautifully angulated front and rear. Moved really well. Delighted to award DCC

2nd – Donnelly's Ir Sh Ch/int Sh Ch Beechillawn Raspberry Sorbet Cjw22 Cw22/23 Cen Ch Cen JW Cenw Jch

Another pleasing dog although topline isn't as firm as 1. Nice head piece, with good eye and expression. Nice width, good angulations front and rear and moving well.
